Church Goods & Religious Gifts re-located to a 6,000-square-foot store in the Historic District of Mentor. We have now moved to our new location at 7633 Mentor Avenue in Mentor, Ohio about 25 miles east of Cleveland. HAPPY RETIREMENT TIM!

After working for 12 years as a valued associate at MOSACK'S, Tim is retiring. He has been an asset to our staff, ordering bibles, books, candles, recovery coins, flags, and military items on a regular basis. His "Book Reviews" have kept us up to date on the best reads. Tim engraved and embossed countless items for many customers over the years—you may have a keepsake in your home that bears his touch! He trained many of our current staff members.

Tim was a physical education teacher for the Mentor Public Schools until retiring in 2004. He served numerous stints of active duty with the National Guard in support of various disaster relief missions in the State of Ohio and during Desert Storm in 1991. He spent 6 months in Central America in 1999 providing assistance to the local population in the wake of Hurricane Mitch's destruction before retiring that same year. Tim is looking forward to spending time with his wife Emma, 4 grown children and 6 grandchildren. He attends Advent Lutheran Church in Mentor and promises to visit MOSACK'S often.

GRANDPARENT'S DAY—September 8th

Grandparents bestow upon their grandchildren the strength and wisdom that time and experience have given them. Grandchildren bless their grandparents with a youthful vitality and innocence that help them stay young at heart forever. Together they create a chain of love linking the past with the future. Visit your grandparents, send a card, say a prayer and find a way to honor their love on Sunday, Sept. 8th.

PRAYER OF THANKS

Loving God, You have given us the blessed gift of Grandparents. Thank you for the simple gifts they share: for embracing us with love us, for listening to our little problems and fixing them, for comforting our hurts and making us laugh, for the stories they tell.

We thank You God, for the generosity of our grandparents, for the special moments in life they never forget, and for the understanding of life they generously have shared with us.

Bless them and keep them safe. May their golden years be filled with the joys of family and treasured memories. Let them know our love and support each day. Amen.

Activities to celebrate Grandparent's Day:

- Make a scrapbook of a favorite memory that you share with your grandparents.
- Talk to your grandparents about what school was like when they were your age. What was their classroom like? How many were in the class? What did they like about school? What did they wear? have for lunch? How did they travel to school?
- Is your grandparent good at knitting, baking, golf, sewing, gardening, caring for pets? If so, ask them to teach you.
- Write a prayer or a poem for your grandparent to slip in the card you send. Include a photo of you and your grandparents!

WELCOME LITTLE ONES!

Baptism is the first sacrament a child receives; it opens the door to all other steps of faith. The cleansing waters of baptism bring rebirth as a Child of God and member of the Church. One passes from the death of sin into the new life in Christ; it's celebration should reflect the joy of resurrection!

Start your child on the path of faith with Baptismal Keepsakes from MOSACK'S. Choose from Baptismal Frames, Keepsake Jewelry, Rosaries, Crosses, Crib Medals, and more. Add some sparkle to Baby's room with a Glitterdome, Musical, Nightlight, or Bank. Remember Parents and Godparents with a mug, pin, or special framed photo of their child. [Today I Was Baptized](#) by Dianne Ahern tells a heartwarming story of an infant's baptism and includes short essays about the sacrament of baptism, its origin and traditions. There is also room to record the story of the baptized baby's special day. Begin a library of faith books for your child that will last a lifetime!

BAPTISM PRAYER

***Welcome, precious little child.
So divine from God above.
Christened today in Jesus' name,
Held in His arms of love.
May angels guide your tiny feet
and bring you smiles to wear
and may our Heavenly Father
always keep you in His care***

BIRTHDAY GIFTS TO TREASURE

Birthdays are great for making memories! In our house, it meant a special dinner, birthday cake, ice cream and peanuts. You got to pick out the color icing and help Mom frost the cake. Licking the bowl was a must!

Presents from Mom and Dad, brothers and sisters were sometimes homemade, often unique and always welcome. As we got a little older they might include a collectible angel figurine with the flower of the month or a cross necklace with your birthstone. Learning about the characteristics of the flower or birthstone quickly became part of the fun of celebrating *your* special day.

Rubies, the birthstone of July, are considered the king of gems and represent love, health and wisdom. It was believed wearing a fine red ruby bestowed good fortune on its owner. July Flowers are the blue larkspur, indicating strong bonds of love, and the water lily which signifies purity and majesty. Stop in and check out your month!

FIND YOUR NAME!

How were you named? Were you named after a relative? Does your name come from one of the saints or a biblical figure? Maybe there is a special city or place connected to your name. Do some investigating and find out—you might be surprised!

Names to Remember Cards are best sellers at MOSACK'S.

Every name is special and every name has a meaning. Cards feature colorful photographic backgrounds with the name at the top, a short descriptive meaning, and a scripture passage below. ANY and EVERY name is available! The most popular ones are in-stock, but any spelling can be special ordered. Popular acrylic giftware accessories enable customers to display their name in a keychain or desktop plaque.

If you were named for a particular saint or biblical figure, Bi-Fold Cards will tell you all about your patron and include a prayer for guidance. Many saints are associated with different professions, nationalities or miraculous charisms. Once you discover the specialness of your name, you may want to select a medal or bracelet to remind you of your own unique qualities!

BOOK REVIEW: HEAR MY HEART by BILLY GRAHAM

Millions the world over have heard Billy Graham's evangelistic messages. Now hear his heart.

America's pastor has gone home. But his lifelong message, his passion for the gospel, and his compassion for people still echo in Hear My Heart. This intimate work is a compilation of articles that spans Billy's ministry from 1955 to today. You are invited to sit down with Billy and hear in his own unvarnished words the things that moved his heart regarding relevant issues of the day. The Biblical convictions he abided by are revealed as are the reasons and regrets behind some of his decisions. Also revealed is the wisdom he gained in his century on this earth.

Hear My Heart presents stirring tributes (collected over many years) about Billy and his legacy from those who knew him best. These tributes reflect all the seasons of his life. Included are reflections by family members, friends, and colleagues in ministry. Though their lives may have changed, Billy's impact remains the same, and their words are beautifully preserved in essays that reflect the power of his ministry. An afterword by Rick Warren about Graham's lasting influence on his life.

These are Billy's final words to us all, as if we were sitting next to him on the front porch of his mountain cabin over a cup of coffee. This is his legacy - the personal exhortations he left our generation and the next as the most needed reminders of our time. This book was assembled and printed to be released upon his passing so that his final words would bring comfort and peace to the many lives he touched. Lean in and listen closely. He is still speaking.

BIBLE BASICS

New to Mosack's Christian Bible selection is **The Holman Rainbow Study Bible: KJV Edition** which has a unique color-coding system that allows readers to quickly and easily identify twelve major themes of Scripture throughout the text: God, discipleship, love, faith, sin, evil, salvation, family, outreach, commandments, history, and prophecy. The system also underlines all words directly spoken by God, Jesus, and the Holy Spirit. Other features of this King James Version of the Bible include 12 pages of color maps with index, a Bible reading calendar, concordance, subject guide, Table of Weights and Measures, "Know What God Says," "100 Popular Passages," and "365 Popular Bible Quotations for Memorization and Meditation."

The Holman Rainbow Study Bible: KJV Edition features an imitation leather, Mantova Brown Leather-Touch cover with sewn spine and a ribbon marker. It has a 9 point font size in black lettering with 1632 pages that are gilded in gold leaf. Its dimensions are 9.25 X 6.25 X 1.5 (inches) and it weighs 2.592 lbs.

Love Your Pet

Check out MOSACK'S Pet section this summer. We have Pet Medals, Blessings, Statues, Frames, Books, and more for your special furry friends. All God's Creatures: The Blessing of Animal Companions by Debra K. Farrington explores the spiritual aspects of owning and loving a pet. Farrington, a member of the Episcopal Network for Animal Welfare, uses biblical passages and Christian teachings to send home a basic message - that aside from its basic needs, love is the most important gift you can give your animal companion. Many pages are devoted to special prayers and rituals involving animals, including materials for a St. Francis Day "Blessing of the Animals" service, a liturgy for "Covenanting with Animals" (when welcoming a new animal into the family) and a service to mark the death of a beloved animal companion.

CELEBRATE WORKERS!

Monday, September 2, 2019 is Labor Day! – a federal holiday since 1894. Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country. The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union.

In 1884 the first Monday in September was selected as the holiday, as originally proposed, and the Central Labor Union urged similar organizations in other cities to follow the example of New York and celebrate a "workingmen's holiday" on that date. The idea spread with the growth of labor organizations. Let MOSACK'S help you relax from your labors on Labor Day or show your appreciation to the dedicated workers known to you. We have books, profession cards, a variety of greeting cards, candles, jewelry, flags, and an assorted array of religious items to share with the workers who continue to contribute in making social and economic decisions within the workplaces in the United States.

Back To School Prayer

Lord, we thank You for the fragrance of a new box of crayons arranged like a rainbow in each perfect row. Thank You for each bundle of snowy white notebook paper, awaiting fresh possibilities; may they remind us that You make all things new and bless us with abundance.

Thank You for the ruler which helps measure our accomplishments. Thank You for pencil top erasers that remind us that making mistakes is a normal part of human learning.

As we lay out our clothes for these first days of school, help us to remember to put on Christ each day too.

But mostly God, help us to remember that Jesus is always our best and most devoted teacher. May we never outgrow His lessons on how You want us to live and love. Amen
